- * These items can be taken as 'Electives' only in the Short Course in Christian Work. There are no electives in the Pastoral Ministry Program.
- 'Supplements' – these are subjects that could be taken together with the subjects they supplement. If to be taken as replacements, reasons must be given to and authorization must be obtained from the Department first.
- Price increase is only in small increments. Due to financial instability, a review and possible further changes in pricing could occur mid-year.
